OSA-1844-63

MEMORANDUM FOR: Chief, Support Division, OSA

ATTENTION : Chief, Personnel Branch, OSA

SUBJECT : Assignment of [REDACTED]

1. Request action be taken to assign [REDACTED]
[REDACTED] to Detachment G as the materiel officer upon
the completion of the duty tour of [REDACTED]

2. [REDACTED] assignment to Detachment G will
immeasurably assist in mission accomplishment in that he will
be able to function productively immediately upon reporting for
duty. Experience indicates that a replacement secured through
normal USAF channels would require at least one year to produce
effectively due to the peculiarities of our special type mission.
I feel the elimination of the "break in" period and [REDACTED]
[REDACTED] extensive Project Headquarters experience with the
IDEALIST Program more than justifies the approval of the request.

[REDACTED]
Deputy for Field Activities, OSA
